

## AGENDA

**Access and Communications Committee  
Ohio Board of Regents  
Thursday, July 14<sup>th</sup> 2005**

**Objective: Better Educate More Ohioans**

**Goal: Increase seamless access to affordable, quality higher education for all Ohioans.**

1. Approval of June minutes
2. Opening thoughts – Regent Donna Alvarado
3. Major items for discussion:

**a. Math and Science Policy Issues**

Key Questions:

1. What can be done to provide sufficient mathematics and science teachers for all Ohio's school districts to ensure quality instruction, especially if an increase in instructional time or coursework is contemplated? How do we retain math teachers once in the workforce?
2. What incentives could be provided to increase the partnerships between higher education and the K-12 system to increase the math and science pipeline

Discussants: Percy A. Mack, Superintendent, Dayton Public Schools  
Greg Bernhardt, Dean, College of Education and Human Services, Wright State University  
Tom Lasley, Dean of Education, University of Dayton

**b. Student Predisposition Toward Post Secondary Education in Ohio:  
Proposed Study**

Jon Tafel, Ohio Board of Regents  
Thomas J. Lasley, Dean of Education, University of Dayton  
Steve Sundre, Distinguished Research Professor, University of Dayton

4. Additional items
  - a. Articulation and Transfer Resolution
  - b. H.B. 66 – final
  - c. *The Issue* – past, present and future
  - d. Media update
5. Adjourn
