Catalog/Course Description:
MUS1250 - This course continues an intensive study and development in sight singing and
melodic, harmonic, and rhythm dictation, and detection. Integrates and puts into practice the concepts of Music Theory and performance studies.

**Texts/Outside Readings/Ancillary Materials** (Be sure that the text meets performance expectations):

- **Studying Rhythm:** Hall, Prentice Hall
- Staff Paper Book
- Notebook (3 ring binder)
- Pencil ONLY

**Course Objectives and/or Plan of Work:**
(Provide a clear indication of how the course objectives align with the matched OAN's learning outcomes. This will facilitate the faculty panel course review process.)

**Learning Outcomes:**
Through sight singing activities, dictation examples, music ear training software, and materials studied both inside and outside the classroom, students will be able to develop an understanding and practice of the following learning outcomes.

1.) Sing, identify, and use diatonic melodies in treble, bass, tenor, and alto clefs; this will also include identification of non-chord tones.

2.) Sing, identify, and use Major, Minor, Diminished, Augmented, and Dominant Seventh Chords in all inversions.

3.) Sing, identify, and use harmonic progressions and cadences (PAC, IAC, HC, DC, PC)

4.) Sing, identify, and use more advanced rhythmic exercises in compound and simple meters.

5.) Demonstrate basic ability to improvise to drones in major and minor keys and both compound and simple meters.

**General Education Outcomes:**
General education learning outcomes reflect “the knowledge, perspective, and skills which are a part of the educational experience of all students.” The faculty of Terra have identified the following general education outcomes for this course.

1.) Communicate Effectively

3.) Demonstrate an understanding of culture and knowledge of how to work effectively in a global and diverse culture and society.

4.) Employ methods of inquiry characteristics of natural sciences, social sciences, mathematics, and the arts and humanities.

**Assessment of Student Learning:**
This course includes a semester jury that is one of several exams be used by faculty to assess student academic performance in Aural Skill development. The music faculty will review all aural and dictation activities to assess and summarize the academic performance of students at this point in the program. The results of this assessment will be shared among the department faculty, used to identify needed changes or improvements, and submitted to the Student Academic Assessment Committee as part of the college’s overall student academic assessment effort.

Description of Assessment and/or Evaluation of Student Learning (The assessment plan needs to be appropriate for the expected rigor of the course):

Grading:
This course is graded on a point system. Students are encouraged and may be asked to schedule one-on-one appointments with the instructor or to seek a tutor’s assistance. Tutoring is available at no cost through Terra Student Support Services. Contact your instructor for more information. The grading scale for this course follows that set by the college in the student handbook.

The results of this assessment will be shared among the department faculty, used to identify needed changes or improvements, and submitted to the Student Academic Assessment Committee as part of the college’s overall student academic assessment effort.

Assessment grades for Aural Skills based on the following scale:
- **A**: Students demonstrating 90-100% accuracy on melodic, harmonic, and rhythmic activities.
- **B**: Students demonstrating 80-89% accuracy on melodic, harmonic, and rhythmic activities.
- **C**: Students demonstrating 70-79% accuracy on melodic, harmonic, and rhythmic activities.
- **D**: Students demonstrating 60-69% accuracy on melodic, harmonic, and rhythmic activities.
- **F**: Students demonstrating 0-59% accuracy on melodic, harmonic, and rhythmic activities.

Students demonstrating a “C” average or below may be asked to enroll in special ear-training sessions offered through the Department or the Music Academy.

Student demonstrating a “C” or “D” average at the completion of this course may be advised to enroll in summer sessions of Applied Ear Training to prepare them for Aural Skills III.

Course Requirements:

Participation

It is the student’s responsibility to participate in every class. If students are unable to participate in an activity or specific class, they must inform their instructor 24 hours prior to that class. Students may not make up lost participation points. Only in emergency situations will exceptions be given to this policy. Students should attend each class with required text, notebook, staff paper, assigned handouts, and pencil. The usage of cell phones, pagers, and any electronic devices are prohibited in class (points will be taken away for consistent use of named devices). Students not participating in regular class activities will reflect in the lowering of their final grade.

- Regular participation in sight singing, melodic and rhythmic dictation, interval and chord quality identification, and work with Practica Musica ear training software are considered daily activities. Difficulty increases as the course progresses.

Assignments

Students will be given assignments to prepare and review before upcoming classes. It is the student’s responsibility to prepare assignments before coming to class. Assignments may include exercises and materials from their text, handouts, and assigned listening examples and projects. Students may be quizzed on assignments with notice. All assignments must be submitted by their due date announced and posted in class. Assignments submitted or performed after their due date may receive partial or no credit.

- Practica Musica software is located on the computers in E110A. Students will be asked to complete levels weekly and submit their progress reports to the instructor every Monday.

Quizzes & Exams

Students will be graded on exercises in dictation, sight singing, and aural quizzes and exams conducted in class, small assigned groups, and one-on-one exams with theory/aural skills program faculty. Students may be given study materials for examinations and should review text examples as preparation to all quizzes and exams. Students that miss a quiz or an exam without notifying the instructor prior to class will not be allowed to make up their missed test on less particular circumstances apply.

**Policies**

**Course Withdrawing:** If for any reason you need to withdraw from this course, be certain that you do so according to College procedure. It is your responsibility to know and follow this procedure. If you simply stop coming to class, without officially withdrawing from the course, your grade is an automatic “F.” Please follow official College procedure for withdrawing from this or any course.

*College Academic Policies are located in the College Catalog. A copy of the current catalog may be picked up in any of the division offices or admissions. The list of college policies is also available online at [https://www.terra.edu/register/Collegecat/policies.asp](https://www.terra.edu/register/Collegecat/policies.asp).*
**Support Services:** The College offers a number of support services to assist in your success in this course and all courses. Among these services are the Writing & Math Center in B105, the Office of Learning Support Services, which coordinates the campus disability services and tutoring programs, the computer labs, and the computers in the atriums.

Any student who feels he/she may need an accommodation based on the documentation of a disability should contact the Office of Learning Support Services privately to discuss his/her specific issues. Please contact the OLSS at (419) 334-8400 X 208 or visit 100 Roy Klay Hall (Building A) to coordinate reasonable accommodations.

*If you have a documented disability and are receiving academic accommodations through the Office of Learning Support Services, please schedule a meeting with your instructor in a timely manner so that we may discuss how these services will be arranged.*

Tutoring services are available to students beginning the second week of every quarter. Students requesting tutoring services should obtain a tutor request form from the OLSS in 100 Roy Klay Hall (Building A) or online at the Terra website. Please note that instructor verification and acceptance of the Student Learner Agreement is necessary for all tutoring requests. All requests should be submitted to 100 Roy Klay Hall (Building A).

Course Material Submission Form
Instructions and notes

1. Submit completed forms to atpanels@regents.state.oh.us.
2. Use this form to define course matches and to submit new or revised course materials for faculty panel review. Please do not submit a form for multiple OANs or Courses.
3. For course renumbering and credit hour revision, remember to withdraw the old match.
4. For course renumbering and credit hour revision, you may want to include information about how the new numbers relate to the old in the Institutional Notes to the Faculty Panel.
5. Click check boxes to check the item. Text fields will expand as you enter information. Press tab to move forward through form. Press Shift-tab to move backward. Note that these tables are implemented as MS Word tables. Keep that in mind as you are copying and pasting between your syllabi and this form. It is possible to paste tables as nested tables. Use the Edit Menu “Paste as Nested Tables” selection.
6. Once you are done entering your information, save the data file. Under the File menu, choose “Save as“ and then enter the name (no spaces!) of the file using the following naming conventions:

   a. For course material submissions: **Institution-OAN-Course Number-Sequence-Version.** **Institution** is the 4 character HEI institution designation. **OAN** is the Ohio Articulation Number whose match is being defined or revised. **Course Number** is the transcript course number. **Sequence** is an indication of which course of a multi-course match is addressed in this form. The sequence is of the form (n of m) for an m-course match. For example, 1 of 1 for a single course match or 1 of 2 and 2 of 2 for a 2 course match. **Version** is a number indicating the revision number of this submission. Start with “Ver1“ for the first time submission and include the “Ver”.

Example:

If you are submitting course materials for Rhodes Community College MATH110 for OMT005 the name of the file would be LMTC-OMT005-MATH110-(1 of 1)-Ver1.

If you are submitting course materials for Rhodes Community College MATH111 and MATH112 for OMT006 the name of the files would be LMTC-OMT006-MATH111-(1 of 2)-Ver1 and LMTC-OMT006-MATH112-(2 of 2)-Ver1.
7. Course materials must be submitted according to timelines below:

Considering the submissions of new courses for TAG matches, our goal is to work toward a timeline as follows:

Submit Course Material: Start of Term 1
Faculty Panels Review Submitted Courses: During Term 1
Approved course is effective: Start of Term 2
Approved course is matched for transcript processing: Term 3

A new match will have to be approved according to the timeframes below:

8. If you want to submit supplementary supporting documentation, you may do that. Simply send the file along with this form and name the supplementary file Institution-OAN-Course Number-Supplement. Institution, OAN, and Course Number are as described in Number 6 above. Include the word “Supplement”. Just be sure to reference the supplement from the appropriate spot in this document.

9. Remember that all institutions are required to have at least one course match for each OAN in all TAGs for which they have corresponding programs.

10. This form should be used for all submissions or resubmissions starting immediately.

11. If you encounter problems or have questions, please contact any of the individuals listed below:
