Career-Technical (secondary and adult ed) and Collegiate University Approvals

Instructions: The following programs and/or courses are approved under CT2 with indicated effective dates

Approved EET programs/courses at career-technical institutions (secondary and adult) can determine transferability by examining the Collegiate University Approvals toward the bottom of this spreadsheet . Institutions should match their approved articulation numbers with like numbers of approved two- and four-year colleges or universities. Courses for which credit will be awarded are shown in the Courses Column.

Example 1: Polaris JVSD has the following approved articulation number: CTEET002. Completers of Polaris' course who finished their course during or after **autumn 2007 could enroll at Lorain County Community College and receive credit for ELCT 121.**

Example 2: Butler Tech JVSD has the following approved articulation number: CTEET001 (secondary and adult). Completers of Butler's course who finished their course during or after **spring 2009 could enroll at Cleveland State University and receive credit for EET 205.**

Key: AP = Approved
