Career-Technical (Secondary and Adult Education) and Collegiate Approvals		
--	--	--

Instructions: The following programs and/or courses are approved under CT2 with indicated effective dates.
Institutions with effective dates of autumn 2007 received CT2 approval on or before April 23, 2009

Approved EMT programs at career-technical institutions (secondary and adult) can determine transferability by examining the Collegiate University Approvals for EMT toward the bottom of this spreadsheet. Institutions should match their approved articulation numbers with like numbers of approved two- and four-year colleges or universities. Courses for which credit will be awarded are shown in the courses column.

Example 1: Apollo Career Center has the following approved articulation number: CTEMTB002. Completers of Apollo's EMT-B program during or after **autumn 2007** could enroll at Cuyahoga Community College and receive 7 semester hours of credit for EMT 1301.

Example 2: Canton City SD has the following approved articulation number: CTEMTB002. Completers of Canton's EMT-B program during or after **autumn 2009** could enroll at Sinclair Community College and receive credit for EMS 117 and 118.

Student requirements: A current Ohio First Responder, EMT-B, EMT-I, or EMT-P certificate + completion of a state accredited public FR, EMT (B), (I), or (P) program.

Key: AP = Approved
