**Licensure Test Scores for Individuals Completing the
Early Childhood Education Program at
Youngstown State University**

(Data Source: Educational Testing Service (ETS)/United States Department of Education)

Description of Data: In addition to requiring all teacher candidates to pass the Praxis ® licensure exam at the state determined cut score, for some licensure programs, Ohio requires that teacher candidates pass additional examinations at the established cut scores to be recommended for licensure and receive endorsements. The 2012 Report for Teacher Licensure Test Scores for the 2010-2011 year is based on Title II data and therefore reflects only initial licenses.

Licensure Test	Test Score Range	Test Cut Score	Completers Tested	Program Average Scaled Score	Completers Passed	Program Pass Rate	State Average Pass Rate	State Average Scaled Score

Field and Clinical Experiences for Early Childhood Education Candidates at Youngstown State University

Description of Data: Ohio requires that teacher candidates complete field and clinical experiences in school settings as part of their preparation. These experiences include early and ongoing field-based opportunities and the culminating pre-service clinical experience commonly referred to as “student teaching.” The specific requirements for these placements vary by institution and by program. The information below is reported at the pro. (Data Source: Youngstown State University)

Field/Clinical Experience Element	Requirement
Minimum number of field/clinical hours required of program candidates	932
Maximum number of field/clinical hours required of program candidates	932
Average number of weeks required in the student teaching experience	
Average number of weeks required to teach full-time within the student teaching experience	
Percentage of teacher candidates who satisfactorily completed student teaching in 2012.	98

**Early Childhood Education Excellence and Innovation Initiatives
at Youngstown State University**

Description of Data: This section provides each program the opportunity to share information on a maximum of three initiatives geared to increase excellence and support innovation in the preparation of Ohio educators. (Data Source: Youngstown State University)

Initiative #1: Professional Development School

Purpose: This program gives YSU students the opportunity to participate in a year-long experience

Goal: To enhance the teacher preparation program by providing a year-long clinical experience for teacher candidates that will improve teaching quality.

Number of Participants: N<10

Strategy: Students must have a 3.0 GPA and no disposition alerts on file. Students will submit an application that includes a recommendation from a faculty member and an essay that addresses their desire and qualifications to participate in the PDS program. The applications are reviewed by the program directors and placements are made at Campbell and Liberty Schools. Students attend an interview at their prospective school for final placement with a teacher. Students follow the BCOE Handbook for specific procedures.

Demonstration of Impact: In 2011 we used data from the Field Verification Forms Cooperating Teacher and faculty final evaluation forms. Cooperating Teachers also completed the Program Evaluation Survey.

Pre-Service Teacher Survey Results

Description of Data: To gather information on student satisfaction with the quality of preparation provided by their teacher education programs, the Ohio Board of Regents and a committee of representatives from Ohio institutions of higher education collaborated to develop a survey of Ohio's Pre-Service Teachers as a special research project. Questions on the survey are aligned with the Ohio Standards for the Teaching Profession (OSTP), Ohio licensure requirements, and elements of national accreditation. The Ohio Board of Regents distributed the online survey to candidates completing their student teaching experiences in Fall 2012. The results below reflect the program average (mean) score for each question, as well as the state average for each question. A total of 1,917 respondents completed the survey statewide for a response rate of 76 percent. (Data Source: Ohio Board of Regents)

	Question	Program Average	State Average for All Programs (Mean) 1=Strongly Disagree 2=Disagree 3=Agree 4=Strongly Agree
1	My teacher preparation program prepared me with knowledge of research on how students learn.	3.632	3.479
2	My teacher preparation program prepared me to recognize characteristics of gifted students, students with disabilities, and at-risk students in order to plan and deliver appropriate instruction.	3.211	3.331
3	My teacher preparation program prepared me with high levels of knowledge and the academic content I plan to teach.	3.368	3.370
4	My teacher preparation program prepared me to identify instructional strategies appropriate to my content area.	3.579	3.435
5	My teacher preparation program prepared me to understand the importance of linking interdisciplinary experiences.	3.368	3.387
6	My teacher preparation program prepared me to align instructional goals and activities with Ohio's academic content standards, including the Common Core State Standards.	3.632	3.483
7	My teacher preparation program prepared me to use assessment data to inform instruction.	3.579	3.425
8	My teacher preparation program prepared me to clearly communicate learning goals to students.	3.421	3.447
9	My teacher preparation program prepared me to apply knowledge of how students learn, to inform instruction.	3.684	3.512
10	My teacher preparation program prepared me to differentiate instruction to support the learning needs of all students.	3.579	3.413
11	My teacher preparation program prepared me to identify strategies to increase student motivation.	3.421	3.355
12	My teacher preparation program prepared me to create learning situations in which students work independently, collaboratively, and/or a whole class.	3.474	3.504
13	My teacher preparation program prepared me to use strategies for effective classroom management.	3.368	3.330
14	My teacher preparation program prepared me to communicate clearly and effectively.	3.579	3.495
15	My teacher preparation program prepared me to understand the importance of communication with families and caregivers.	3.684	3.435
16	My teacher preparation program prepared me to understand, uphold, and follow professional ethics, policies, and legal codes of professional conduct.	3.737	3.581
