Notes: Table excludes unassigned and inactive space. Totals may not balance exactly due to rounding.

¹ Day FTE figure computed as the ratio of day classroom and lab utilization to total utilization expressed in terms of FTE student enrollment.

² Totals should not be used for determining space needs. Totals are affected by the amount of residential space provided by the institution and the graduate and professional programs, such as medical schools, each institution may support. The amount of construction underway is also not reflected in these figures.
