Ohio Instructional Grant Disbursements

This query will provide data contained in the OIG payment tables. Data will be displayed at the individual student identifier level. It will provide a subtotal for all monetary fields for the records selected for each student per term, per academic year and a summary total for all monetary fields for each student. It will also provide a total of all transaction amounts and all disbursement amounts for the institution for the period of time selected for the query.

Ohio Instructional Grant Disbursements

This query will provide data contained in the OIG payment tables. Data will be displayed at the individual student identifier level. It will provide a subtotal for all monetary fields for the records selected for each student per term, per academic year and a summary total for all monetary fields for each student. It will also provide a total of all transaction amounts and all disbursement amounts for the institution for the period of time selected for the query.
