### **STATEMENT OF CHANCELLOR ERIC D. FINGERHUT ON MYERS UNIVERSITY**

"President Scaldini informed our office that Myers University intends to close after the fall 2007 semester. Our attention is focused solely on Myers University students and helping them complete the semester and then transition to other institutions. The chancellor's office is prepared to help communicate student options by setting up a hotline for students, assisting at a college transfer fair, and circulating information to students by phone, email, and the Board of Regents website. Our goal is for Myers students to continue their educations. Though Myers is a private university, the State of Ohio will work to make the transfer process as easy for the students as possible."
