

Employees by Appointment Status and Work Category at University System of Ohio Institutions

Fall 200

Prepared by

February 2011

Notes about Data

- Data was obtained from the All Employee (AM) file which contains one record for each person employed on November 1st.
- Figures are unduplicated at the institutional level, so persons employed at two or more campuses of the same institution are counted only once.
- If a person is employed at two or more campuses of the same institution, and does not have the same appointment type at each campus (i.e. full-time at one campus, part-time at another campus) then for purposes of this report the employee is assigned his/her highest appointment type at any of the campuses where employed in the following order of precedence: full-time, part-time, graduate-assistant.
- If a person is employed at two or more campuses of the same institution, the work category code is selected for the campus where the person is employed full-time. If a person is employed as part-time or graduate assistant at two or more campuses of the same institution, and his/her work category varies from campus to campus, then the employee is assigned the highest work category code based on the following order of precedence:
 - FA - Faculty & Instruction, Research Public Service
 - EA - Executive, Administrative & Managerial
 - IR - Instruction & Research Assistants
 - OP - Other Professionals
 - TP - Technical & Paraprofessionals
 - CS - Clerical & Secretarial
 - SC - Skilled Crafts
 - SM - Service & Maintenance
