

# Employees by Appointment Status and Work Category at University System of Ohio Institutions

Fall 200

---

Prepared by

February 2011

## Notes about Data

- Data was obtained from the All Employee (AM) file which contains one record for each person employed on November 1<sup>st</sup>.
- Figures are unduplicated at the institutional level, so persons employed at two or more campuses of the same institution are counted only once.
- If a person is employed at two or more campuses of the same institution, and does not have the same appointment type at each campus (i.e. full-time at one campus, part-time at another campus) then for purposes of this report the employee is assigned his/her highest appointment type at any of the campuses where employed in the following order of precedence: full-time, part-time, graduate-assistant.
- If a person is employed at two or more campuses of the same institution, the work category code is selected for the campus where the person is employed full-time. If a person is employed as part-time or graduate assistant at two or more campuses of the same institution, and his/her work category varies from campus to campus, then the employee is assigned the highest work category code based on the following order of precedence:
  - FA - Faculty & Instruction, Research Public Service
  - EA - Executive, Administrative & Managerial
  - IR - Instruction & Research Assistants
  - OP - Other Professionals
  - TP - Technical & Paraprofessionals
  - CS - Clerical & Secretarial
  - SC - Skilled Crafts
  - SM - Service & Maintenance
