Welcome and Introduction

Tawanna Fields-Mphande, Administrator, Ohio Board of Regents (OBR) welcomed the Perkins coordinators and gave a summation of the meeting. Fields-Mphande noted that the focus of this meeting is to give attention to the development of the Program of Study and the accountability process.

Federal and State Updates

Programs of Study

- The development of the Programs of Study (POS) is designed to be a collaborative effort between secondary and postsecondary partners.
- The required POS for postsecondary Perkins recipients is due May 1, 2009.
- Programs of Study Timetable
  - FY09 - one per recipient
  - FY14 - All programs with a POS
- All POS and Assurances should be sent to Rick Mangini at rick.mangini@ode.state.oh.us

Perkins Implementation Regional Meetings

- The purpose of the regional meetings is to communicate a consistent message to all Perkins recipients regarding the Ohio Vision.
- The meetings will be a full agenda including business/industries partners as well as educational partners.
- The remaining meetings will be postponed until fall of 2009.

Cooperative Education/Internship

- The Ohio Cooperative Education and Internship Program will provide world-class learning for Ohio students across all disciplines.
- Programs funded through the Ohio Cooperative Education and Internship Program must be designed to meet the following goals:
  - create meaningful linkages to Ohio businesses,
  - attract non-Ohioans and former Ohio residents to the state,
  - retain more graduates in Ohio,
  - provide Ohio businesses with highly skilled workers, and
  - Increase business utilization of students as interns or co-operative learning participants.
- Cooperative Education/Internship Timeline
  - Thursday, April 16, 2009 Statement of Intent due by 2 p.m.
  - Thursday, April 30, 2009 Proposals due by 2 p.m.
Accountability

- **Fields-Mphande** provided an overview of the Perkins performance measures, the Performance Improvement Plan (PIP) and the Perkins monitoring process.
  - With the guidance of the Perkins Advisory committee the state proposed lower targets for 1P1 Technical Attainment indicator and 3P1 Student Retention or Transfer.
    - 1P1 Technical Attainment
      - 2008 Baseline Data: 74.08%
      - 2009 Year Two Targets: 84.50%
      - Proposed Targets Year Three: 74.25%
      - Proposed Targets Year Four: 74.50%
    - 3P1 Student Retention
      - 2008 Baseline Data: 65.86%
      - 2009 Year Two Targets: 72.50%
      - Proposed Targets Year Three: 65.25%
      - Proposed Targets Year Four: 66.50%
  - As explained in The Carl D. Perkins Career and Technical Education Act of 2006, Section 123, all Perkins recipients must develop and implement a Performance Improvement Plan.
    - If a college fails to meet at least 90% of the negotiated target the Perkins coordinator will need to complete a Performance Improvement Plan (PIP).
  - The Perkins Monitoring Process is scheduled to begin **February 11, 2009**.
