

BACKGROUND AND REQUEST

Ohio Christian University

RECOMMENDATION

Ohio Christian University meets the Chancellor's standards, and the staff recommend continued institutional authorization through December 31, 2017, to coincide with the university's next accreditation review with the Association of Biblical Higher Education (ABHE). Authorization will continue, contingent upon continuing accreditation from the Higher Learning Commission of the North Central Association of Colleges and Schools (to be reviewed in 2010) and ABHE. The university will submit a progress report to the Chancellor's staff by August 31, 2009 to provide an update on the institution's revision of its general education curriculum. The Chancellor may, in his judgment, withdraw authorization or require additional review, at the institution's expense, if the university fails to continue to meet the Chancellor's standards for authorization or is sanctioned by its accreditors.

Institutional Changes: Since the university's last reauthorization review, the institution has had a name change; a change in the presidency; and expanded its program offerings to new off-site locations.
