**CAMPUS SAFETY AWARENESS MONTH IN OHIO  
SEPTEMBER 2010**

On behalf of all Ohioans I commend the Ohio Campus Safety Task Force for their publication of the on-line document: *A Safer Campus: A Guidebook on Prevention and Response to Sexual and Intimate Partner Violence and Stalking for Ohio Campuses.*

I support the recommendations that the Task Force has made for campuses to improve safety and security. The Ohio Board of Regents partners with our state's colleges and universities to do the hard work of incorporating these recommendations.

I applaud those who are working to increase the safety and security on the more than 100 colleges and universities in Ohio through prevention education, increased awareness, and by holding perpetrators who commit acts of violence responsible for their actions.

ON THIS FIRST DAY OF SEPTEMBER, TWO THOUSAND AND TEN
