TRANSFER STUDENT PERFORMANCE REPORTS

INSTRUCTIONS FOR USE

Parts of the Report

- Reports on transfer student performance are divided into two groups

2-Yr Student Reports

4-Yr Student Reports

Report Basics

- The reports in each of the two groups are designed from the perspective of a specific target user group

2-Yr Student
Reports

Target users: Two-year
Institutions and University
Branch Campuses

4-Yr Student
Reports

Target users: Four-year
Institutions

Report Basics

- This design permits target users to make relevant comparisons

2-Yr Student Reports

Permits 2-Yr institutions and Branches to compare their students' performance:

1. across different "transfer to" institutions
2. with the performance of students at peer institutions

4-Yr Student Reports

Permits 4-Yr Institutions to compare their students' performance:

1. by student type: native, transfer (2-Yr or branch)
2. across different "transfer from" institutions
3. with the performance of students at peer institutions

Report Basics

- There are two reports in each group

The **2-Yr** and **4-Yr Student Outcomes Reports** focus on Degree attainment, GPA, course completion %, and graduation outcomes by student type (transfer, native), cohort, and developmental coursework completed.

Report Basics

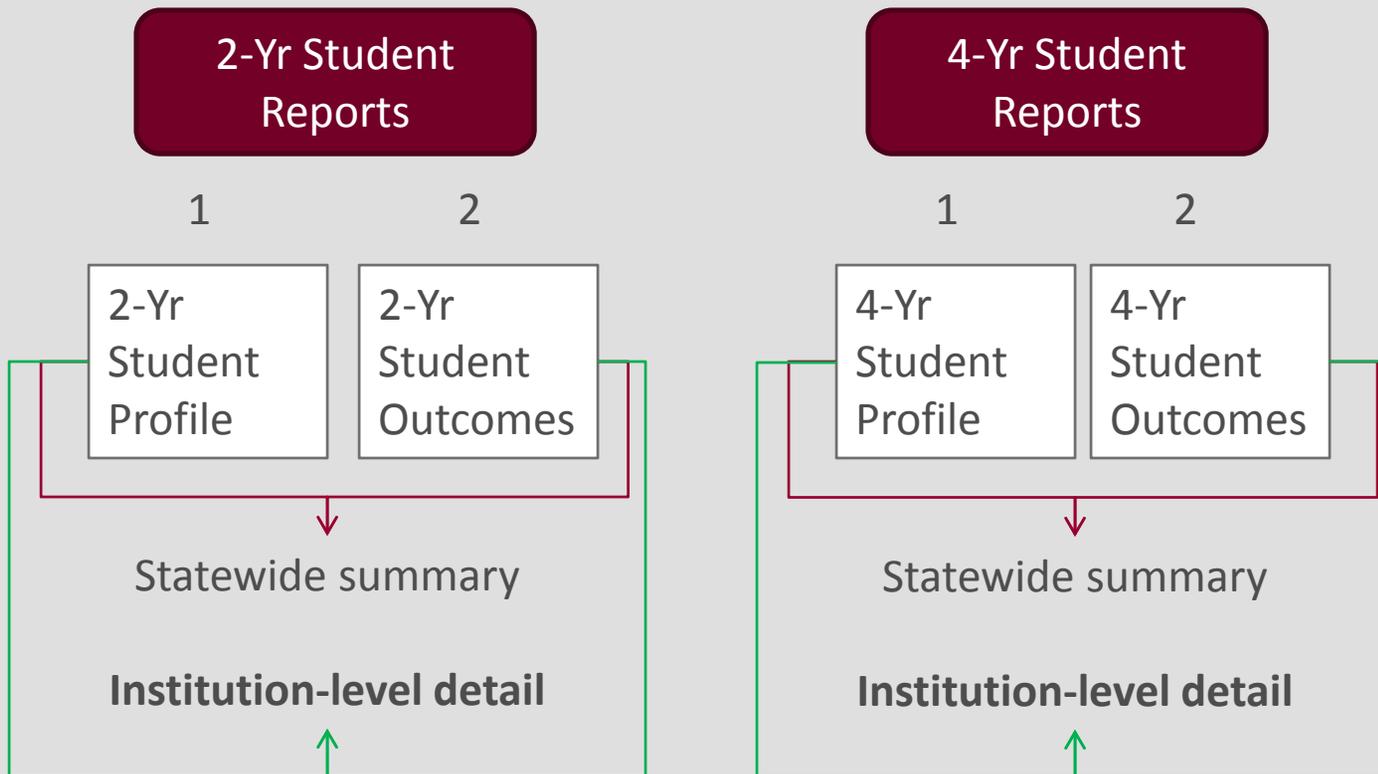

- Each report provides a statewide summary

Report Basics

- And institution-level detail

Report Interpretation

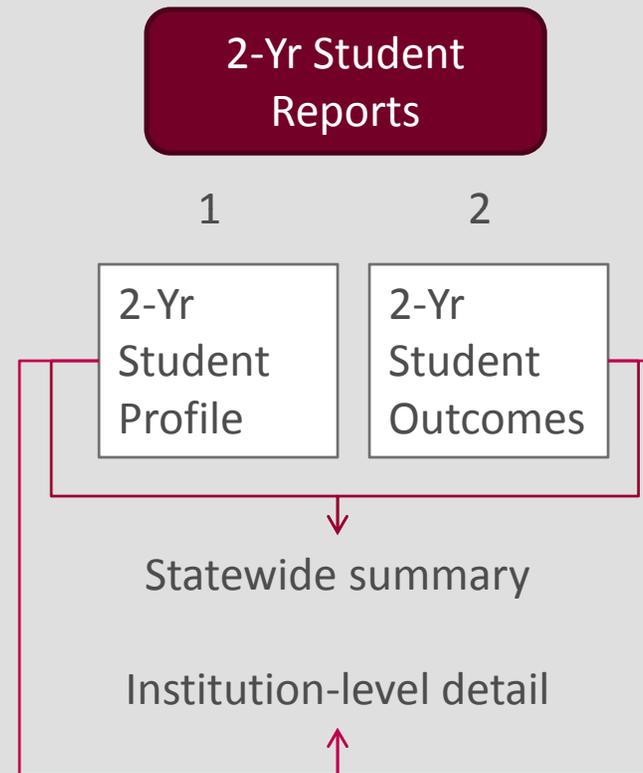

- The next section provides a basic guide to interpretation of the transfer performance reports

Report Interpretation

- First, we will discuss the reports designed for 2-Year institutions and Branch campuses:

- 2-Yr Student Profile Institution-level Detail
- 2-Yr Student Outcomes Statewide Summary
- 2-Yr Student Outcomes Institution-level Detail

2-Yr Student Profile

Transfer Student Performance Report Two-Year Institution Report: Part A Student Profile

- Indicators: GPA, semester credit hours earned, and academic area before and after transfer.
- Focus: Results for individual two-year institutions and university branches.
- Cohort: Students enrolled at exactly one Ohio public university main or branch campus in any term of FY 2003 with the rank of SO, JR or SR. Students must have attempted at least 12 semester credits at that institution in FY 2003. This report is limited to students who transferred from 2-Yr Institutions or 4-Yr Branch campuses after completing a minimum of 30 semester credits. Data as of 4/9/2007

The first of the two reports for users from 2-Yr Institutions and Branch Campuses is the **2-Yr Student Profile**

The report's cover page includes a summary of the **indicators** used in the report, a brief statement of the report **focus**, and a definition of the specific **cohort** used in the report

For this 2-yr Institution or Branch : Shows the GPA and Credit Earned % after transfer. Permits analysis of student performance based on the number of earned hours achieved prior to transfer. Provides the average for all FY2003 2-yr Institution transfers and the average of all FY2003 Branch campus transfers for comparison.

Comparison Rows (by table)

The **Institution Detail** section provides transfer student outcomes specific to the **Transfer From** institution. Two of the tables also provide comparison rows which include the statewide **2-Yr Institution Average** and **Branch Campus Average**

2-Yr Student Outcomes

The **Transfer Student Degree Attainment Frequency** table shows the number of transfer students from the specific **Transfer From** institution who, after transferring in FY2003, earned an associates or bachelors degree by FY2006

Transfer Student Degree Attainment Frequency

Degree Type	Enrolled in 2008	Not Enrolled in 2008
No Degree	284	948
Assoc Degree	20	115
Bach Degree	1117	2571

For all 2-yr institutions and Branches : Shows the relative frequency of those students who have attained either an Associate's or Bachelor's Degree by FY2006. Enrollment status indicates what proportion of each group was still enrolled in FY2006.

Transfer Student Performance Report Four-Year Institution Report: Part A Student Profile

- ➔ Indicators: GPA, semester credit hours earned, and academic area before and after transfer.
- ➔ Focus: Results for individual four-year institutions.
- ➔ Cohort: Students enrolled at exactly one Ohio public university main or branch campus in any term of FY 2003 with the rank of SO, JR or SR. Students must have attempted at least 12 semester credits at that institution in FY 2003. This report is limited to students who transferred from 2-Yr Institutions or 4-Yr Branch campuses after completing a minimum of 30 semester credits. Data as of 4/9/2007

The first of the two reports for users from 4-Yr Institutions is the **4-Yr Student Profile**

The report's cover page includes a summary of the **indicators** used in the report, a brief statement of the report **focus**, and a definition of the specific **cohort** used in the report
