REQUEST FOR BOARD ACTION

MEETING DATE: June 29, 2016

TOPIC: Affordability and Efficiency Report

In the early part of 2015, Gov. John R. Kasich created the Ohio Task Force on Affordability and Efficiency to make recommendations to Ohio's institutions of higher education based on three simultaneous principles 1) to be more efficient both in expense management and revenue generation 2) while offering an education of equal or higher quality and 3) decreasing costs to students and their families. The Task Force met several times during the course of 2015. In October the Task Force issued a report with ten recommendations to advise institutions on efficiency and academic practices which will improve both the quality of education and lower costs for students.

Furthermore, House Bill 64 (Section 369.550) requires each institution's board of trustees to complete an efficiency review, based on the Task Force's recommendations, by July 1, 2016, and submit their findings and implementation plans to the chancellor within 30 days, or by August 1, 2016.
