RE: Wright State University

Dear Chancellor Carey:

Wright State University submits the enclosed Affordability and Efficiency Report as required by House Bill 63 (Section 369.550). Also enclosed is the Wright State University Board of Trustees Resolution adopting the report.

In addition to the report we are submitting the completed *Master Recommendation 2: Five-Year Goal for Institutional Efficiency Savings and New Resource Generation* template that was provided by the Ohio Department of Higher Education. This template was received after initial Board of Trustees consideration of the Affordability and Efficiency report. Consequently it will be considered by the Wright State Board of Trustees at their October 6, 2016, public meeting. The resulting resolution will be submitted following that meeting.

Sincerely,

A handwritten signature in cursive script that reads "Thomas Sudkamp".

Thomas Sudkamp, Ph.D.
Provost
